## EDUCATION

**The University of Engineering and Management**

Kolkata, India

B. Tech in CSE; CGPA: 8.47

**July 2023-Present (3<sup>rd</sup> Year)**

**The Central Modern School**

Barasat, India

Higher Secondary (Class XII)

**Passed in 2023**

---

## SKILLS SUMMARY

- **Languages:** Python, Java, C, SQL, HTML, CSS, JS
- **Frameworks:** Pandas, NumPy, Matplotlib, Scikit-Learn, Tailwind
- **Tools:** Excel, PowerPoint, MySQL
- **Platforms:** Visual Studio Code, PyCharm, IntelliJ IDEA, Jupyter Notebook, Google Colab
- **Soft Skills:** Communication, Team work & Collaboration, Problem solving, Leadership

---

## PROJECTS

**My Portfolio Website | [\[LINK\]](#)**

*Built using HTML, Tailwind CSS, JavaScript*

- Developed a responsive personal portfolio website showcasing projects and skills.
- Designed a clean and modern UI using Tailwind CSS utility-first classes.
- Implemented smooth scrolling and interactive components with JavaScript.
- Optimized for mobile, tablet, and desktop devices (fully responsive).
- Hosted on GitHub Pages for free and easy public access.

**Bangalore House Prices Prediction Model | [\[LINK\]](#)**

*Built using Python, Pandas, Scikit-Learn, Matplotlib*

- Collected and cleaned real-world housing data for Bengaluru from online sources.
- Performed exploratory data analysis (EDA) using Pandas and visualized trends with Matplotlib.
- Engineered features and handled missing data to improve model accuracy.
- Implemented Linear Regression, Lasso, and Ridge models to predict property prices.
- Evaluated models using R<sup>2</sup> Score and RMSE; achieved optimal performance with regularization techniques.
- Deployed model using a simple Python-based interface for demonstration.

---

## CERTIFICATES

**Python for Data Science – NPTEL (IIT Madras) | [\[CERTIFICATE\]](#)**

*Score: 69% | Feb 2024*

- Learned Python for data analysis using Pandas, NumPy, and Matplotlib.
- Completed proctored exam and all online assignments.

**Participation in </UCODE 10.0> | [\[CERTIFICATE\]](#)**

*UEMK Coding Club, University of Engineering & Management, Kolkata | Aug 2024*

- Recognized for **accurately completing 2 competitive programming problems** in a time-bound coding event.
